AN INVITATION TO EXPRESS YOUR INTEREST & SUPPORT THE COLLEGE

Dear Parents, past students and friends of Siena College,

I write to welcome and encourage your involvement in our College community in 2012. Your feedback and your ideas are always valued. There are many ways in which parents, past students and friends can contribute expertise, experience and time to support our community.

You may be in a position to volunteer your time as a member of the Siena Parents’ Association or to consider future involvement in a Board Committee/Advisory Group. There are currently four Board Committees and an Advisory Group which benefit greatly from the support of individuals with expertise in the areas of:

- Building, Property and Grounds
- Financial Management
- Compliance and Policy Development.
- Risk Management

Committees meet approximately six times each year for about one and half hours per meeting. Our Committees work very efficiently and the time commitment is not huge. Members are normally appointed for three year terms. Re-appointments are made by mutual agreement. The Siena Parents’ Association generously supports and hosts a number of community events such as a Year 12 breakfast, catering for sports teams, fund-raising, and a College picnic for current and future families. Please see the enclosed letter from the President.

If you are interested and can help in making a contribution to the College, please complete the attached form and return in the reply paid envelope provided.

Yours sincerely

Gaynor Robson-Garth
