

ONLINE LEARNING ACHIEVEMENT

An explanation of the indicators and points of clarification:

Teacher Feedback

1. Displays an engaged and motivated attitude to learning

- Attentive to teacher instruction and peer contributions during lesson
- Voluntarily contributes to class discussions (verbal or via chat)
- Asks questions to clarify understanding (verbal or via chat)
- Demonstrates pride in work and presents work to a high standard
- Shares ideas with others
- Works positively within a team
- Has camera on during lesson (as internet permits)

2. Demonstrates evidence of learning

- Completes classwork (if applicable) to best of ability
- Completes home learning (as applicable) to best of ability
- Responds to teacher questions demonstrating understanding of lesson concepts

3. Is organised and prepared for learning (including effective use of ICT)

- Arrives punctually online for class and leaves when instructed
- Submits work online by due date (including appropriate form and naming conventions)
- Has stationery/workbooks and textbooks/digital devices as required for learning
- Has the device charged for the lesson
- Seeks assistance with ICT Help if required

Student Self-reflection

1. Engagement and motivation for learning

- I arrive punctually online for class and leave when instructed
- I participate in the online lesson and class activities to enhance my learning
- I take initiative in my study (check SC class page, ask questions for clarification, take lesson notes)
- I am attentive to teacher instructions and peer contributions during lesson

2. Organisation and preparedness for learning (including effective use of ICT)

- I have completed to the best of my ability any unfinished classwork as required
- I have all my stationery/workbooks and textbooks/digital devices as required for learning
- My device is charged for each lesson
- I ask for assistance if required for ICT issues (camera/microphone/uploading documents)

3. What I have done well in this subject?

4. What can I do better in this subject?

What do we expect for each of the indicators?

Consistently 90% of the time or more

Usually 60% of the time or more

Needs attention less than 60% of the time
